

Golfer Development

Our friendly staff of PGA Professionals offers a wide variety of lesson programs for all levels of golfers, as well as custom fitting of golf equipment. We have programs for individuals, groups, beginners and advanced golfers. We are also home to the Marshallia Ranch PGA Junior Sports Academy. Call the Pro Shop for additional details or visit us online.

About Us

Located in the heart of California's central coast wine country, just a short drive between Lompoc and Santa Maria California, lays one of the area's best kept secrets: Marshallia Ranch Golf Course. Marshallia Ranch offers a serene location complete with mature landscape and an abundance of wildlife. Without a house in sight and nearly every hole framed by giant eucalyptus, you've found the perfect tranquil escape for your next round of golf.

Marshallia Ranch Golf Course is a full service PGA recognized golf facility complete with an 18-hole championship golf course, driving range, short game practice area, and full service pro shop to supply all of your equipment and apparel needs. We offer a number of options for hosting tournaments, group outings, leagues, and other outside events. Please contact the Pro Shop for details.
